

Pilot Submission for
Cyberport Web3 Scheme

SEAMLESS WEB3 ONBOARDING THROUGH TOKENIZED TRAVEL

A platform to tokenize travel, unlock exclusive perks
and onboard real users to Web3 — without the friction.

TravelConnect

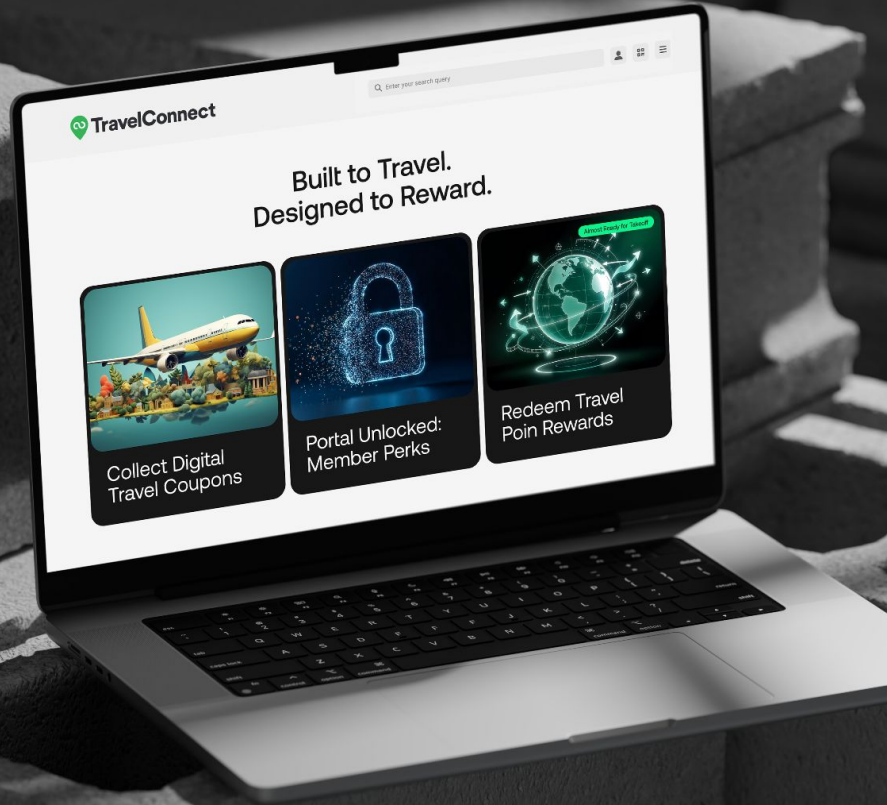

PROVEN WEB3 INTEGRATION

(For internal testing purposes only)

TravelConnect has successfully piloted blockchain features in real-world travel scenarios through:

- **NFT Travel Coupons**
Redeemable for tours, perks, and discounts — tested in live campaigns (e.g. Japan).
- **Self-Custodial Wallet Onboarding**
Instant, gasless wallet creation on login — no crypto knowledge needed.

- **Gasless Transactions**
All on-chain actions fully sponsored for frictionless user experience.
- **Wallet-Gated Content**
Travel rewards and downloads accessible only via wallet login.
- **Deployed Use Cases (Internal Testing):**
 - NFT-Based Coupons
 - NFT-Based Member Perks and Promotions
 - Blockchain Loyalty Point Drops
